High School Science - CHEMISTRY

Chemistry – (Recommended for students in 9th – 12th grade. Algebra I is a prerequisite.)

Wednesday - 8:30 - 10:00

Cost: \$500

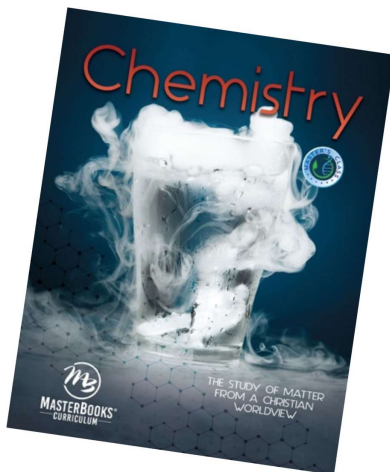

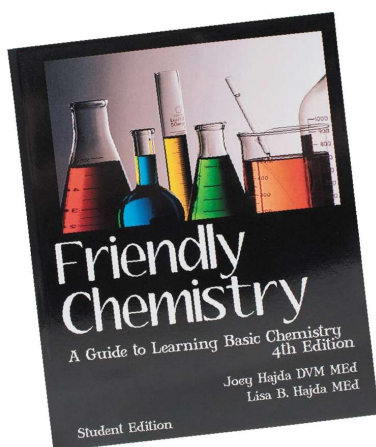

Lab Fee: \$40

This course covers the basic foundations of chemistry. In addition to Friendly Chemistry, I will also introduce material from Apologia Exploring Creation with Chemistry and Discovering Design with Chemistry by Dr. Jay Wile along with several hands-on lab experiments to enhance understanding of the concepts. Students will also be assigned topics to research and then present to the class in order to gain a better understanding of elements, ions, and compounds. **This class will cover (1) high school science credit with lab.**

Required Materials:

- Text: Friendly Chemistry – Student 4th Edition (**Please make sure your student has a text that has not been written in.** The text is consumable. In order for students to succeed in this class, they must do their own practice work.)
- Text: Chemistry, The Study of Matter From A Christian Worldview (MasterBooks) Student text only. I have added this text for the 2025/2026 school year to go along with the Friendly Chemistry curriculum. This has been added to enhance certain concepts in chemistry that are not covered in Friendly Chemistry.
- 1” three-ring binder – Optional (to be kept at home to file all test, quizzes, and other assignments)
- (2) **PURPLE** 2-pocket folders
- Loose-leaf paper

CLASS REGISTRATION

- Non-refundable deposit of \$100 per class due with registration. Deposit can be made with cash, check, or Zelle.
